LIVESTOCK SHOW PLANS IN HANDS OF CLUB COMMITTEE

BUILDING PROGRAM THOUGHT IMPRACTICAL BY CLUB COMMITTEE.

Plans for the county livestock and poultry show endorsed by the Milam County Purebred Livestock and Poultry Association were placed before the Cameron Chamber of Commerce on last Friday night by the chairman of the fair committee.

The plans called for the construction of exhibit buildings and permanent improvements for the show but it is likely that these items will be stricken from the list as it will be impractical at this time, in the opinion of the club, on account of financial conditions.

The entire matter has been deferred until the next regular meeting Friday night at which time plans to rent tents for the show will be reported on by the committee. It is hoped that some plan can be worked out whereby the show in size and importance will not be curtailed.

Members of the Milam County Purebred Livestock and Poultry Association at a meeting held in Cameron on July 2 was given over largely to the discussion of the live stock show, the stockmen and producers of poultry showing a keen interest in the big possibilities for a county wide show in Cameron.

The Livestock Association will meet in Thorndale on the second Tuesday in September to make final plans for the show and to transact business for the association as this will be the regular meeting. The Association hopes to have definite plans as to the show available so that preparations can be made accordingly.

Many new members are being added to the list and it is expected that membership committees in the several towns and communities of the county will make their canvass and report with a big list at the Thorndale meeting.

President Sam Mewhinney has retained all the membership committees for the various localities and expects them to complete their work by the time set for the next meeting.

So far Rockdale has contributed the largest number of members, the Association being organized there on Saturday June 10. Cameron is second and it is expected that Thorndale will nose out the county capital when reports are read at the meeting in September. The membership fee is \$1 a year and enables all to join. The Association is dedicated to the building up of the livestock and poultry interests all over Milam County.

The secretary hopes to have some definite information regarding the county show by the next week.

+++++ EARLIEST BALE FOR CAMERON WAS JULY 16 1922 BALE GINNED.+++++
The first bale of cotton of the 1922 crop was brought to Cameron last Thursday evening at 5 o'clock by Mr. Luther Wise of Mr. Jim Coleman's place near Ben Arnold. The bale was ginned early Friday morning by R. L. Batte's No. 2 Gin and weighed 421 pounds and was sold to Joynes & Fahrendorf for 25.10 bringing something over \$100 for the cotton. The Gin secured a premium of \$110 from the merchants and business men of Cameron which together with the proceeds of the cotton and seed and free ginning, bagging and ties, brought the total for the bale to the snug little sum of about \$220.
In speaking of the crop and ginning, Mr. Batte said that he had been in the gin business for sixteen years in Cameron and has ginned the first bale every year except three during that time. The earliest bale during that period was July 16 and the latest was August 4th, of tenor from July 26th to August 2nd, so you see we are not much later than usual for the first bale.

CAMERON STUDENTS WIN HONORS AT THE UNIVERSITY

THREE ARE MENTIONED FOR ACHIEVEMENT DURING TERM.

Austin, Texas, July 25.—Students of the University of Texas who achieved special distinction in their scholastic work for the spring term of the long session have been listed on the honor roll, which has just been issued by Dean H. Y. Benedict, of the College of Arts and Sciences. The object of this honor list is to commend officially one-tenth of the student body, that tenth whose grades during the term rank them scholastically above the remaining nine-tenths. This "top" tenth is subdivided in five groups, giving rank to the highest averages. In constructing the honor list, account is taken both of the grades made and the number of courses passed, giving credit both to quality and quantity of work done. Freshmen grades run lower than those of the upper classmen, and to attain equal rank on the honor roll, freshmen do not have to make quite such high averages as do the upper classmen.

In 1919 the honor roll was published in this manner for the first time, and since then it has been compiled in the same manner every term. Out of 3,117 students, there were 72 in Group 1, Summa Cum Laude; 148 in Group 2, Cum Laude Tempora; 2222 in Group 3, Magna Cum Laude; 319 in Group 4, Ampla Cum Laude; and 412 in Group 5, Cum Laude.

Among the students from Cameron in the University, the following were mentioned as deserving special distinction: Franklin Joyce Cox, Dorothy R. Gerlach, Jack Logan.

THREE NEW FACES AT COURT HOUSE

PRIMARY FAILS TO RETURN THREE OLD OFFICERS TO PLACES.

Three new faces will be seen in the Court House as a result of Saturday's election: Drew Rogers, of Buckholts, becomes Democratic nominee for Sheriff; H. M. Roark, of Thorndale, is nominated for County Clerk; and R. H. Hairston, of Milano, is standard bearer of the party for Commissioner of Precinct 3.

Mr. Rogers has had considerable experience as a peace officer. For several years he was constable at Buckholts, and made a very fine record as a law-enforcement officer. He has resided at Buckholts for about 14 years, and is at present an inspector under the Live Stock Sanitary Commission. He is a member of several fraternal organizations and has many friends who will welcome him in his new home.

Mr. Roark is not unknown to the citizens of Cameron and vicinity, having been exceedingly active in school and church affairs in the county. He has taught in several of the schools of the county during the past 15 years. He is a live wire in all public activities, being by nature progressive. The people of Thorndale, where he has built up one of the strongest schools in the county, regret to lose him, and the people of Cameron will be glad to receive him into our midst.

"Uncle Dick" Hairston has lived at Milano all his long life. He has been known throughout the county for many years as a prominent farmer and cattleman, and is of the progressive type of citizenship. He favors good roads throughout the county, and will have charge of the construction of the important bond issue roads soon to be built in the Milano district, among which is the Cameron-Hanover-Milano road.

R. P. Jeter, C. A. Pitts and Fred Thompson, have returned from Devils river where for the past three weeks they have been camping and fishing. R. D. Brown who was a member of the party, returned a week ahead of the party on account of illness. They report a good time and plenty of fish.

CAMERON RECEIVES FIRST BALE COTTON

Cameron has received and ginned the first bale of 1922 cotton. The bale was marketed last Thursday by Luther Wise, farmer and the cotton was produced on the farm of J. W. Coleman, near Ben Arnold. The bale weighed 421 pounds.

The bale was sold to Fahrendorf & Joynes for 25.10. In addition to the purchase price the business men of Cameron gave \$110 making a total of \$237.67 for the bale.

The bale was ginned by R. L. Batte. The Cameron Cotton Oil Company paid \$30 per ton for the seed.

In ginning the first bale for the county Cameron experiences the opening of the 1922 cotton season. It is believed that a good crop will be raised in the county. Although dry weather has to some extent hampered the growth of the cotton, it is pointed

out that the stalk is holding its production fairly well and that with the early producing lands the crop will be fair, certainly a great deal larger than in the past season.

With an increase in the number of bales produced this year added to the strong market price conditions may soon become normal as far as finances are concerned when the farmer will be able to make purchases and the period of liquidation will begin.

Mr. Coleman has early cotton on his farm this year and believes the crop will be above the average. His land is situated in one of the best farm sections of the county and is highly productive. The Herald extends its congratulations to Mr. Coleman and to Mr. Wise on getting the first bale of 1922 cotton.

REST ROOM FOR WOMEN COMPLETED

HENNE & MEYER COMPANY CO- OPERATE WITH METHODIST LADIES IN ENTERPRISE.

A rest room fully and handsomely equipped has been completed in the building of the Henne & Meyer Company in Cameron. This room erected by the company of which C. R. Phillips is manager in Cameron, will be under the supervision of the Ladies Missionary Society of the Methodist church.

The room occupies a large space in the north portion of the main building was erected by the company with all fixtures and was furnished by the Missionary Society.

In the room are all modern conveniences with toilet and wash room. Chairs, a bed, dresser and other furniture has been placed in the room by the ladies and its appearance is beautiful and inviting. A rest room has been in demand in Cameron for a number of years and with the completion of this one those who have advocated such a convenience feel that all possible success has been achieved in fitting out this room.

The room is conveniently located and will be of great service to people who come from the country, especially mothers with children who will find it a help to them in passing away the shopping hours in the city.

The Henne & Meyer Company and Missionary Society are to be thanked for this splendid advance.

Lawrence Stovall of Waco has been the guest of Mr. and Mrs. J. L. Clinton.

SONS OF CONFEDERATE VETERANS ORGANIZED

C. R. PHILLIPS CHOSEN COM- MANDER OF CAMP ORGANI- ZED IN CAMERON.

A Camp of the Sons of Confederate Veterans was organized in Cameron Tuesday by C. E. Gilbert of Houston representing the organization. The Camp is to be known as the John C. McLane Camp.

C. R. Phillips was elected Commandant; R. H. McIntosh, First Lieutenant Commander; Penn Wolf Second Lieutenant Commander, with the following additional officers: Walter F. Shafpe, Adjutant; J. G. Vest, Surgeon; E. W. Reed, Quartermaster; S. P. Cross, Chaplain; H. M. Hefley Treasurer; J. B. White, Color Sergeant; W. G. Gillis, Historian.

Members so far signed up in addition to the officers named are Robt. McLane, C. E. Coleman.

The organization is to perpetuate the memory of Confederate veterans and in time will take over the work of the Confederate Veterans Association. This, however, will not be true until the veterans shall have all passed away.

Cameron also has a camp of Confederate veterans. It is hoped that a large number of sons of confederate veterans and their descendants will come into the organization and help make it a success in Cameron.

Run Off Primary For County Asked By The County Convention

Endorsement of the administration of Governor Fatt Neff, demand for a run off primary in Milam county and a plea for the enforcement of the law through the duly constituted authorities, were the outstanding features of the County Democratic Convention held in Cameron Saturday.

While the Democrats were in session the Republicans were also holding their county convention in Cameron. The Republicans, it is said, will not have a county ticket. This announcement will set at ease rumors that the Republicans would put out a county ticket in which would concur a large number of discenting Democrats who find it hard to support some of the nominees of the primary on July 22. The Ku Klux Klan issue is said to be responsible for dissatisfaction among some Democrats because of certain state and national nominees of the party.

The convention was harmonious with few addresses being delivered and no issues discussed. The chief concern was the report of the executive committee following the canvass of the returns of the primary

held in the county on July 22, and the naming of delegates to the state convention.

The meeting was called to order by W. G. Gillis, county chairman who was elected permanent chairman with T. S. Henderson, Jr., as secretary of the convention.

The following committees were appointed: Resolutions, T. S. Henderson chairman; W. M. Cobb, T. V. Adams, Annie Stallworth. Organization and Credentials: D. R. Criswell, Mrs. T. S. Henderson, E. S. Smith, C. W. Baggett. Committee to select delegates to the state convention: Mrs. W. O. Triggs, Lon Dunham, Jeff T. Kemp.

A motion was passed making the delegates eligible as delegates to district conventions.

The convention was addressed by Hon. C. M. Beard of Milano former member of the legislature from Milam county; T. S. Henderson, W. W. Chambers, O. D. Bakker, representative from the 65th District and E. A. Wallace.

The following resolutions were (Continued on page 2.)

WATER AND LIGHT PLANT IMPROVEMENTS ABOUT COMPLETED

TEST ON WATER SATISFACTORY —STATEMENT TO PUBLIC BY COMPANY.

Improvements on the water system of the Cameron Water, Power & Light Company which have been in the course of completion for the past several months are now complete and the operation of the system is satisfactory.

Tests of the water are being made twice each week and are being published showing the results obtained by the treating process.

The following tests were made this week by Dr. J. E. Robinson of Temple who tests the water at Temple for the city of Temple:

Cameron Raw Water—
Bacteria per cubic centimeter.....420
Colon Baccillus.....Yes
Cameron Treated Water—
Bacteria per cubic centimeter.....14
Colon Baccillus.....No
Temple Treated Water—
Bacteria per cubic centimeter.....8
Colon Baccillus.....Yes
"Good water."
(Signed) J. E. Robinson.
July 27, 1922.

Sample water July 31, 1922:

Cameron Raw Water—
Bacteria per cubic Centimeter.....600
Colon Baccillus.....Yes
Cameron Treated Water—
Bacteria per cubic centimeter.....22
Colon Baccillus.....Yes
Temple Treated Water—
Bacteria per cubic centimeter.....16
Colon Baccillus.....Yes
(Signed) J. E. Robinson.

The following letter has been addressed to the people of Cameron by the Cameron Water Power & Light Company:

"We are very much pleased to announce to the public that we have almost completed the improvements to our Water and Light Plants, only some details remains to be looked after.

"We believe that Cameron can now boast of having as good water as any town in Texas, and we invite the public to come and see how we have arranged to always furnish clear and pure water for all purposes. Since we completed the water basins we have sent two samples of water (one last week and one this week) to Dr. J. E. Robinson at Temple for analysis and comparison with the Temple water, as Dr. Robinson makes the tests for the City of Temple and we request that you read the reports as made by Dr. Robinson as published this week in our local papers that you may know how well we are meeting our obligations. We expect to continue each week on Mondays and Thursdays to have these tests made and we will furnish the local press with the reports as received.

"When inspecting the Water Plant do not fail to drop in and see our new Diesel Engine which is performing beautifully.

Yours cordially,
Cameron Water, Power & Light Company.

CARD OF THANKS.

I take this method of expressing my gratitude to all of my friends who supported me in the campaign which has just closed.

I believe in honor in politics as well as in private life, and I cheerfully submit to the voice of the people who vote for what they believe to be their best interest, and who do not mistake personalities for public calamities.

Respectfully,
J. O. HUGHES.

PEEL AND McGLASSON LEAD CAMERON CLUB IN BATTING AVERAGE.

McGlasson leads the Comets in hitting for the season with Homer Peel second. The following averages have been compiled on the two leading batters for the team:

| | G | AB | H | PC. |
|-----------|----|-----|----|------|
| McGlasson | 46 | 170 | 68 | .400 |
| Peel | 48 | 198 | 76 | .384 |

PEEL AND SCHRAUB GO TO HOUSTON IN THE TEXAS LEAGUE

COMET CLUB DISBANDS — IS CONCEDED WINNER OF CUP.

The Cameron Comets called it a season Monday after defeating the Fairfield team, and the Cameron star will scatter to the four corners of the state.

Homer Peel, scintillating second baseman of the Cameron team during the season just closed, and a product of the sandlots of Cameron, will join the Houston team immediately having been recommended by Secretary Ankermann of the Buffs, who saw the Cameron high school lad in action in Waco against Jacksonville. Peel may not yet be ready for class A circles, but he is coming fast, and his base ball future is bright indeed. Just how he will perform against the class of hurling he will find in the Lone Star circuit is a question, and its answer will be awaited with interest by fans throughout this section.

Schraub, the sterling right-hander, who makes his home in Cimo, Texas, will be given an opportunity to face the Texas league hitters as a member of the Galveston team. Schraub is a youngster, has lots of stuff, and stands more than an even chance to stick in the Texas league.

Jim Nowlin, University of Texas third baseman, who has been performing at the position for the Comets, has accepted a position with the Texas company of Houston, and will probably play with the Texacos of the Houston city league.

Vergil Clevenger and Shortstop Tomar of the Comets have joined the Palestine club, which is slated to meet Jacksonville this week, while big Joe Stafford will join the Smithville nin.

McGlasson, hard-hitting outfielder of the Comets and Jonny Guynes will go to their respective homes, while it is reported that Johnny Mulcahay will go to Lockhart, where he will play the rest of the summer. Mike Schmidt will pitch for the American Legion team of Austin.

In a letter to The News-Tribune newspaper Tuesday thanking this paper for the interest it has aroused in amateur, base ball this season, Manager W. O. Webb of the Milford Drednoughts announced that his club had disbanded for the season, thereby eliminating one of Cameron's most dangerous rivals for The News-Tribune cup. The Drednoughts have made a brilliant record on the diamond, winning 11 out of 13 games played, and ranked with the leaders of this section.

Gatesville turned in its second consecutive win over the Hamilton club Tuesday, thereby strengthening its position in the standing, and at the same time lowering the colors of the Hamilton club to some extent. The Gatesville team meets Fairfield in a 3-game series at Gatesville starting Wednesday afternoon.

Through an error the standing of the Eddy team was incorrect. The Eddy boys won another Tuesday, and their standing is now eight won and four lost. The Somerville team under the management of Pat Olson, Agri star, has seen much action during the past few days turning in wins over Carmine, Brenham, and losing one to Navasota Monday. The Cameron club closed its season in the race for the cup with the remarkable standing of .886 in 35 games played since the beginning of The News Tribune race, although several contests were won before the starting of the cup chase.

A. R. TRIGGS GOES TO EASTERN MARKETS FOR FALL PURCHASES

A. R. Triggs manager of the Triggs Dry Goods Company in Cameron left this week for St. Louis Chicago and New York where he will be for the next two weeks to purchase goods for the fall business at his store. Mr. Triggs anticipating a good fall business will buy heavy of the choice offerings of the markets of the east.

Mr. Triggs makes an annual trip to the markets to purchase goods at hopes this year to be able to afford to public some real bargains and a selection of modern and up-to-date merchandise.

CRUDE CUT NO BARRIER TO OIL DRILLERS HERE

BY E. E. SULLIVAN

A number of factors contributed interest to the shallow section of the Milam county fields, the week ended August 1. Probably the most important was the effect, if any, that would follow recent cuts in crude oil sweeping the country from east to west and from north to south. The Mid Continent product holding steady at the end of the month at \$1.50 and with North Texas light oils topping that by only a 25-cent margin; and that is nearer the correct ratio, in the eyes of many Milam county operators, with still others more sanguine in temperament advocating a higher price for Mid-Continent than posted for North-Texas crude.

Cuts in the light oil fields were expected because of the amounts of accumulating stocks. Notwithstanding nearly every one is holding his breath and really wondering what will happen. The shallow pool is increasing the production right along and for the last half of the month the pipe line runs that were made through the lines of the Owens Refining Company were 270 barrels per day and a grand total for the 16 days of 4320 barrels at the present market was worth in round dollars to the producers \$6482.

Completions continue to be recorded, the latest well being the number one McClellan of the Hefley, Thomas and McIntosh interests in the proven area, from a depth 675 to 704 feet, the well is estimated will make at least 10 barrels. The number two well of this coterie of operators is on top of the sands near 675 feet. The under the management of John A. Lee a mining Engineer of San Francisco, has resumed drilling again on the Holtzclaw tract in the Tracy district. Mr. Lee has just returned from a business trip to California and has brought his family to Cameron for an indefinite stay. The Company now has 3 producing wells on the lease and are fully prepared for the drilling of 20 more.

The shallow fields now have by actual count 53 producing wells, two gas wells and several wells drilling in the proven territory. The producers of the field are as follows:

Owens Petroleum Company, Henry 7 wells.

Lee Oil Company, Neihaus 10 wells.

Newell Oil and Gas Company, Neihaus 5 wells.

Oklahoma Bell Oil Company 4 wells McClellan and one well Robert Isaacs.

Texas Plains Oil Syndicate, Neihaus 2 wells.

Erie Investment Company, McClellan 2 wells.

Oriental Oil Company, McClellan 4 wells.

Fogel et al, Moore 5 wells.
Clifton Brothers, Lucas 2 wells.
Hefley, McIntosh and Thomas, McClellan 1 well.

Texas Oil and Development Co., Holtzclaw 3 wells.

Baggett and House, Henry 50 acres 2 wells.

Johnson et al, Bauers 2 wells.
Felix Oil Company, Robert Isaacs 1 well.

The wildcats in the county are all quiet and all have been shut down for some time, a rumor is going the rounds that many of them will resume drilling this month.

Texas Carlsbad Mineral Waters reduced to \$3 per case net, Fresh Water just received.

C. N. GREEN & BROS.

LOUIS S. PIERCE TO VISIT EASTERN CITIES ON TOUR OF MARKETS.

Louis S. Pierce of Navasota will leave next week for New York and other places in the east where he will spend two weeks on a tour of the markets to purchase goods for his stores in Cameron and Navasota. This is the annual trip to the markets and Mr. Pierce hopes to be able to anticipate the needs of the buying public in his purchases while away.

Conditions both in the trade territory and in the markets are good and it is believed a good fall business will be had.

EXPERIMENT STATION OF BELL COUNTY WILL HOLD CELEBRATION.

Secretary Skelton of the Cameron Commercial Club has received notice from the Temple Chamber of Commerce that a celebration will be held at the Experiment Station on Wednesday August 9. This is for the interest of Cotton Root Rot and experts from A. & M. College will be there to talk about this proposition.

A big barbecue dinner will be served on the ground and free automobile service will be rendered to and from the station.

W. KLAWANSKY GOES TO EASTERN MARKETS TO PURCHASE GOODS.

W. Klawansky will leave Cameron late this week for St. Louis and New York to buy goods for the fall trade at his store in Cameron. Mr. Klawansky says he will buy the largest and most complete line of ladies ready to wear and clothing that he has ever stocked.

Conditions being improved in the trade territory together with lower prices on goods makes it possible for great bargains this fall. Mr. Klawansky will be away about two weeks.

Vanities of all kinds.

RUN OFF PRIMARY FOR COUNTY ASKEY BY COUNTY CONVENTION.

(Continued from page 1.)

passed by the convention:

To Hon. W. G. Gillis, Chairman: Your Committee on Resolutions begs to report as follows:

First: We hereby endorse the administration of Governor Pat M. Neff. We especially commend him for his vigilant enforcement of the laws. And while we regret the necessity which called for martial law at Mexia and more recently at Denison we approve his prompt and efficient action.

Second: We proclaim the supremacy of the law in Milam county. Under its protection the weak and the strong are equal and are safe. The protection of life, liberty and the pursuit of happiness is the sacred privilege of the humblest citizen. We are opposed to mob violence under any and all circumstances; and no man or woman shall be subject to punishment except on conviction for crime on indictment duly returned on information based on affidavits duly filed in a court having jurisdiction of the offense and after a public and orderly trial before an impartial jury in which guilt is established in accordance with law; and such punishment shall be administered only in a lawful way by the officers charged with that duty.

T. S. Henderson, Ch'm.
W. M. Cobb.
T. V. Adams.
Annie Stallworth.

Whereas it is Democratic that a majority shall rule in all political matters, and whereas it would add no extra expense.

Be it resolved by the Democrats of Milam county in Convention assembled that we recommend and request that two years hence a run off be required in each case where no candidate has a majority of the votes cast.

O. D. Graham.
W. W. Chambers.

Dr. J. A. SHUGART, Proprietor

Milam County Farmer Is Victim of Cruel Beating; Another Union Labor Crime

LABOR HENCHMEN SPOT VICTIM ON TRAIN AND SPIRIT HIM AWAY IN AUTO.

(Rockdale Reporter)

Last Saturday morning when the S. A. & A. P. train pulled into Rockdale Anton Srenensky, a Bohemian farmer of the Sand Grove community got off and made his way to the office of Judge Gunn. Srenensky showed unmistakable signs of having been roughly treated, and an inquiry brought out the facts as stated in the following affidavit:

THE STATE OF TEXAS
County of Milam.

Before me, the undersigned authority, on this day personally appeared Anton Srenensky, known to me to be a credible person and after being duly sworn deposes and says:

I reside on a post oak farm about eight miles southeast of Rockdale where I own a post oak farm, and where I have lived for 25 years. Am married and am a natural born citizen of the U. S.

On Tuesday, July 18th, 1922, in company with my neighbor, Jno. Batla, I went through Bell County looking at lands; Batla trying to trade off his Milam county farm. We passed through Temple, but stayed there only a short time. While in Temple a Mr. Lugo (not sure of spelling) told me he wanted to trade an auto for a post oak farm. After I returned here, I decided to go back and see if I could make a trade with Lugo, trading him a small place owned by H. T. Coulter of Rockdale, Texas, which adjoins my land. On Friday, July 21st, 1922, I boarded the afternoon Santa Fe train at Milano, bound for Temple. After I had passed Cameron I noticed a man walking up and down the aisle of the train. After we passed Rogers, this man sat down beside me and talked to me until we reached Temple. He asked me if I was going to Temple to get a job. I told him I was not, that I was a farmer. He asked me if I had ever worked for the R. R. and I told him "no." Said he was hunting a job. He asked me many questions about my business, etc. About the time we got to Temple, he said he was hungry, and that we would get a lunch when we got in. We left the train together, passed through the passenger depot and he walked up to a Chevrolet auto, and asked the man if that was a service car, and the man said yes. The party then said to me, get in and we will drive up town and get a lunch. I got in beside the driver, and the driver started, driving past the Martin Hotel, and out into the country. He drove rapidly, and I soon saw I was being carried away from town, and soon after we got out of town I concluded something was wrong, and quietly opened the auto door, to jump out. When I did this, one of the men on the back seat grabbed me, pulling my head back over the front seat, and while he held me in this position one of the other men on the back seat beat me with his fist. I fought and scuffled as best I could, and finally another auto was seen coming meeting us, and the car I was in slowed down, and they opened the door and

told me to jump out, which I did. They immediately turned back towards Temple. While they were beating me and holding me in the auto, they cursed and abused me, calling me a "scab," a ——— and other vile names, said I had come to Temple to work for the R. R. and couldn't do it. For me to tell the ——— at Milano not to come to Temple to work. I tried to reason with them, tried to explain that I was a country farmer, and knew nothing about R. R. work, did not want to work for the R. R. and not hunting a job. They would not listen to my begging, but continued to hold my neck, beat me, curse me and the ——— from Milano, calling me a ——— liar, a ——— scab, a ———, and other names. After they left me, I walked over to the main Waco-Temple road, and after walking on the road awhile, Mr. E. A. Doan, traveling salesman for the Burroughs Adding Machine Co., out of Waco, came along in a Ford car, and I waved him down and I told him what had happened and asked him to take me with him, which he did, carrying me to Waco, Texas. I remained in Waco last night, coming to Rockdale on the Sap this a. m. These parties who had me in the car, told me I must never return to Temple.

I think I would recognize the par-

ties who beat me, but had never seen either of them prior to date mentioned. I have had nothing to do with the strike, live in the country, and have taken absolutely no interest in the strike one way or the other. I do not take a paper and know practically nothing about the strike, and what it is about. Am a plain post oak farmer, who has lived in Milam county 28 years, trading at Rockdale, where I am well known. I have never tried to take any part in political campaigns or other public questions, but have lived with my family, on our little farm, and tried to be an honest, law-abiding, up-right citizen. I have never been arrested, never paid a fine, was never sued. Am forty years of age.

On arrival at Rockdale this a. m. I have reported this matter to the local officers, and a their request I make this sworn statement of the facts, and the matters herein stated are true.

I have done absolutely nothing to justify anyone in beating and abusing me, and was driven out of Temple, while there on an honest, legitimate business, and beaten in broad daylight. I was and am now afraid to return to Temple, as these men told me the officers at Temple would not protect me, but that the officers would stay by them.

ANTON SRENENSKY.

Subscribed and sworn to before me at Rockdale, Texas, this July 22nd, 1922. And I further certify that I have personally known the affiant many years and know him to be a law-abiding, hard working, humble farmer of this county, and I think worthy of belief. I further certify

that at this time, he has scratches, bruises and wounds on his head and face, and blood on his clothes and person, indicating clearly that he has been beaten.

To certify all of which witness my hand officially this July 22nd, 1922.

ED. GUNN,
J. P. and ex-officio, Notary Public in and for Milam county, Texas.
THE STATE OF TEXAS
County of Milam.

I, Ed. Gunn, Justice of the Peace of Precinct No. 4, of Milam county, Texas, do hereby certify that the above and foregoing is a true and correct copy of the affidavit of Anton Srenensky, made before me this the 22nd day of July, 1922, as the original appears on file in my office.

To certify all of which witness my hand this July 22nd, A. D. 1922.

Similar Cases Being Published In Each Issue.

The following case is but one of many occurring daily in Cameron. It is an easy matter to verify it. You cannot ask for better proof.

W. H. Ledbetter, horseshoer, 14th Street, Cameron says: "About four years ago, my back and kidneys were in bad shape. Everybody knows that horseshoeing is hard on the back and kidneys, owing to the position and across the kidneys when holding a

horse's foot. My back and kidneys became weakened and caused me a great deal of trouble. My kidneys caused me a great deal of annoyance by the too frequent passages of the secretions, which were at times, painful and it seemed as if the muscles of my back were tied in a knot and when I stooped over it was mighty painful to straighten up. It was when I first took Doan's Kidney Pills and they relieved me quickly and promptly."

DRINK HOT TEA FOR A BAD COLD

Get a small package of Hamburg Breast Tea at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus driving a cold from the system.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

RUB BACKACHE AND LUMBAGO RIGHT OUT

Rub Pain and Stiffness away with a small bottle of old honest St. Jacobs Oil

When your back is sore and lame or lumbago, sciatica or rheumatism has you stiffened up, don't suffer! Get a 35 cent bottle of old, honest "St. Jacobs Oil" at any drug store, pour a little in your hand and rub it right into the pain or ache, and by the time you count fifty, the soreness and lameness is gone.

Don't stay crippled! This soothing, penetrating oil needs to be used only once. It takes the ache and pain right out of your back and ends the misery. It is magical, yet absolutely harmless and doesn't burn the skin.

Nothing else stops lumbago, sciatica and lame back misery so promptly!

DISHES and Aluminum Ware

Comets Flare And Bears Growl But Neither Get Title

THRILLING CONTEST IS TIED UNTIL SIXTH INNING WHEN BRIDGES' CREW FORGES AHEAD.

When the well known irresistible force meets the immovable body something is bound to happen, and after Saturday's battle between the Comets and the Bears, which was won by the visitors by the score of 5 to 2, by the visitors by the score of 5 to 2, local statisticians began to figure just what had happened during the great 12-games series for the mythical semi-pro-base ball championship of Texas, which came to a close this Saturday afternoon. And after the reams of figures had been simplified, it was found that the two clubs stood just as they did at 5 o'clock July 10, when the two teams hooked up in the first game of that memorable Carroll field series. Twelve games have been played between the two clubs since that date, and each team has won six. The Comets were at their best on their home lot according to all base ball custom. In the Milam county capital they won three out of four. In Waco they took two out of five and in Jacksonville one out of three.

But to get back to Saturday's contest.

It was a brilliant pitchers' battle between Mike Schmid and Teddy Lyons. The Cameron hurler allowed only four hits, which blossomed into five runs, enough to win the game for the Bears. It was a hard game for Mike to lose, but it would have been a hard loss for Lyons, who allowed only seven hits, and pitched magnificent ball all the way through. Both clubs were slightly off-color in the field, being charged with three errors each.

The Jacksonville club got away to a flying start by scoring a pair in the first stanza. Green opened the game by striking out, but Strickland got on by being hit, while Fred Thompson walked. Daniels went out Peel to Schmid and both runners advanced a base on the play. Strickland scored on Andrews single. Covington ended the round by flying out to Guynes.

The Comets also scored one in the first. Tolar greeted Lyons with a two-bagger, and went to third on Guynes' out, from where he scored on a passed ball by Covington. McGlasson and Peel were easy outs.

The Comets tied the count in the fourth inning. With one out Peel hit to Green, forcing McGlasson at second, but in his endeavor to make a double killing, Bradshaw pegged wild to first, and Peel journeyed to second. Then up stepped Joseph Dillard. Bear nemises, and smote a single to right, which sent Peel across the pan with the tying score. Dillard went to second on the throw to the plate. Mulcahay got on and the pair pulled a double steal, but it was to no avail, as Nowlin flew out to Williamson. The Comets threatened several times thereafter but lacked the necessary punch to put across the marker.

Bridges' crew went back in the lead in the sixth, and were never headed thereafter. Two scores were put across in that round.

Covington opened the inning with a walk and went to second on Country Williamson's attempted sacrifice. Williamson reached first in safety when Dinan erred. On a hit and run play, Bradshaw hit to short. Covington was successful in making Dillard throw home, and Brad was safe at first, while "Sunshine" ambled back to third in safety. The bases were loaded with nobody out. It looked like a deluge might follow.

Schmid, however, came near working out of the hole. The next batter forced "Sunshine" Covington out at the plate. Bridges attempted to cross the Comets by trying the squeeze on Green's third strike, but he fouled and was out for bunting on his last strike. Williamson and Bradshaw scored on Lyons' grounder to Peel. It should have been an easy out but Mulcahay went to sleep on the job and failed to cover first. Schmid attempted to get to the initial sack in time to take the throw, but was too late. This play cost the locals the game. It was plainly an off day for Mulcahay his errors of omission, contributing largely in the victory of the visitors.

The locals threatened in the eighth, when Guynes beat out an infield hit and went to 2nd on Strickland's wild throw to first. McGlasson went out to Strickland, but Peel hit over short. A rifle-leg peg by Country Williamson, however caught the fleet Johnny Guynes at the plate. Dillard lined out to Strickland and Lyons was out of the hole.

The visitors scored their final run in the ninth when Strickland strolled to first, stole second, went to third

on passed ball, and scored on Mulcahay's wild heave toward the hot corner.

It was announced Saturday night that Jacksonville would not play in Rosebud Sunday as previously announced. It had been stated that the Jacksonville club would play against the Comets today as the Rosebud team.

Steinie Strickland starred in the field for the visitors Saturday. His sensational stops put a halt to several impending rallies by the locals. The largest crowd of the series here was in attendance.

Score by innings:

Jacksonville 200 002 1—5 4 3

Cameron 100 100 000—2 7 3

Two-base hit, Tolar. Bases on balls off Lyons 1, off Schmid 5. Struck out, Lyons 3, Schmid 12. Hit by pitcher, Strickland 2. Stolen bases, Thompson, Strickland, Dillard, Mulcahay. Passed balls, Dinan 3, Covington 1. Wild pitch, Schmid. Umpire McElroy, Tanner and Allen. Attendance 1000.

The race for The News-Tribune cup emblematic of the semi-pro or independent baseball championship of Texas is nearing the home stretch and it is beginning to look more and more like it will be the Cameron Comets without much of a struggle. Milford has a chance but it is rather outside.

Through the big bat of Bugs Morris, the Milford club won over the Hubbard nine in Hubbard Friday, giving that club five consecutive wins and 11 out of 13 for the season. But, to be given consideration for the cup, a team must play at least 16 games, and in those 16 games meet practically all of the leaders. Milford has made a splendid record in the games it has played, but Manager Webb's nine has not played Cameron, Gatesville, West, Hamilton, Caldwell, Taylor or the Waco and American legion clubs. And those teams are just about the strongest in the race.

As is the custom in independent base ball, many of the semi-pros will disband Aug. 1. Rosebud called it a season two weeks ago and the Cameron Comets will probably do likewise following the game of Monday afternoon. The Cameron club has made a sensational record in central Texas. The Comets have lost only four games in 33 played and in those 33 practically all of the contenders were taken on, including Gatesville, the Waco Elks, Austin American legion, Rosebud, Caldwell, Taylor, Hubbard, Rogers, and others. The Comets lost two games out of eight played to Rosebud, one out of four to Caldwell and one out of three to the Austin American legion.

There is still a possibility that the Comets will be nosed out of the honor as The News-Tribune race does not come to a close until Aug. 15, but it is only a possibility. The only club among the four contenders for Cameron's leadership that has played a representative schedule, is Gatesville, and the Gatesville boys lost their opportunity when they lost three con-

secutive games to the Comets. Milford by playing a real contender practically every day from now until Aug. 14, and by winning practically all of the engagements might nose out the Comets. West lost its opportunity for an undisputed first place rating on Thursday when the Sluggers were defeated by Eddy.

The Cameron team meets Fairfield in Cameron Monday for the closing game of the season, and should the Fairfield boys uncover a surprise and take this contest from the Cameron entry, the chances of West and Milford will be enhanced a marked extent. In Whitson, Gene Moore, Cook and Compere, the Milford club has a powerful pitching staff and is going to be hard to stop for the balance of the season.

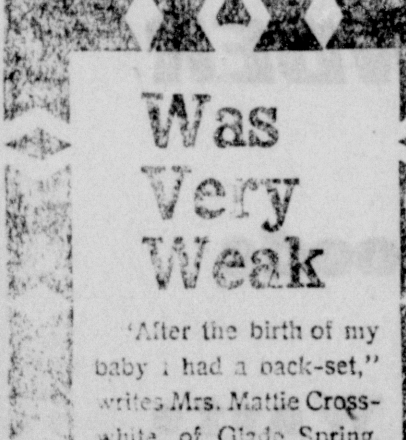

Lefty Thomas, Cameron hurler, will join the Ranger club of the West Texas league immediately, while Mike Schmid, who twirled for the Comets Saturday against Jacksonville, will join the Austin American legion club. Homer Peel and Pitcher Schraub are dickering with a West Texas league club, but just where the balance of the Cameron clan will go is a question.

In the number and quality of players used during this season it is thought that the Cameron club has surpassed all previous records. Here is part of the Cameron roster for the season:

Catchers, Henderson, Woosley, Allen, Dinan; pitchers, Haislip, Cook, Robertson, Edens, Thomas, Munch, Clowers, Clevenger, Schmid, Schraub, Stafford; infielders, Mulcahay, Peel, Robertson, Chatham, Nowlin, Wilson, Paschal, Tolar, Dillard, Wilemon, Smith; outfielders, McGlasson, Partain, Edens, Tolar, Miller and Guynes.

While Milford featured by its play of last week, with five consecutive wins, the West club established a couple of records which will probably stand for the season. Last Tuesday, the West nine obtained 36 hits in one game and a week ago, Pitmore, star West portside, struck out 22 men.

The Austin American legion club plays the Bartlett nine. The capital city legionnaires have been strengthened by the addition of Moran Henderson, former catcher of the Comets, and several other stars. The Waco legion team will be idle for the day as the local Y. M. C. A. team will hold the boards at Katky park, meeting the fast O. T. club of Fort Worth for the Jewish base ball championship of Texas.

Was Very Weak

"After the birth of my baby I had a back-set," writes Mrs. Mattie Crosswhite, of Glade Spring, Va. "I was very ill; thought I was going to die. I was so weak I couldn't raise my head to get a drink of water. I took . . . medicine, yet I didn't get any better. I was constipated and very weak, getting worse and worse. I sent for Cardui."

TAKE

CARDUI

The Woman's Tonic

"I found after one bottle of Cardui I was improving," adds Mrs. Crosswhite. "Six bottles of Cardui and . . . I was cured, yes, I can say they were a God-send to me. I believe I would have died, had it not been for Cardui." Cardui has been found beneficial in many thousands of other cases of womanly troubles. If you feel the need of a good, strengthening tonic, why not try Cardui? It may be just what you need.

All Druggists

CAMERON WINS THIRD GAME AT JACKSONVILLE.

Jacksonville fans were treated to a real baseball game here yesterday when the Cameron Comets won from the local team 4 to 1. It was a pitcher's battle all the way and a fine exhibition of baseball was given the fans.

Scharub worked for the Comets, while Andrews did mound duty for Jacksonville. Six hits were garnered off of Andrews, while Schraub allowed but five. Both teams worked like machines in the field, only one error each being chalked up for them.

The Jacksonville boys scored first when they tallied in the second inning. Bradshaw stole second after he had forced Lyons at second, and scored when Mulcahay made an error. That was the only score for Jacksonville. Cameron started in the

fourth. Dinan stole second after Mulcahay was thrown out at third, and scored on Nowlin's hit to center. Stafford walked, and Nowlin scored on Schraub's hit. Andrews went wild in the seventh, walking two men, who were advanced by a sacrifice. Then Guynes singled, scoring both.

The two teams left after the game for Cameron, where the remaining three games of the series will be played.

Score by innings:
Cameron 000 200 200—4 6 1
Jacksonville 010 000 000—1 5 1
Schraub and Dinan; Andrews and Covington.

News-Tribune Is Thanked For Making Possible Big Baseball Series

The News-Tribune is in receipt of two letters, one from the manager of the Jacksonville baseball club, acting through the wishes of the directors of the club, and the other from the manager of the Cameron baseball club.

Each of the two letters is an expression of thanks to Jink Tucker and The News-Tribune for the promotion of good clean sport and congratulations upon the success of the recent series of games held in Waco between the two leading semi-pro teams of the state.

Both of the managers are pleased with the results of the series, both financial and otherwise. William R. Rogers, the manager of the Cameron club, and Utah Taylor, manager of the Jacksonville nine, express the hope that some time in the near future another series of games may be held as successfully as the last two.

Following are the letters:
"Please accept my congratulations in view of the success of the Cameron-Jacksonville series recently staged in your city. The Cameron fans attribute the success of this series to your personal efforts through the medium of The Waco News-Tribune and wish to assure you of their appreciation of same, in which the Cameron management joins most heartily.
"We also thank the good people of Waco for the many courtesies shown us.

"Wishing for you a continued success with you work, and again thanking you for your interest in our team. I remain,

Yours truly,
WILLIAM R. ROGERS."

"I have been requested by the board of directors for our club to thank you and The News-Tribune for your earnest and free willingness in arranging the games with Cameron and can assure you that we all appreciate your efforts in promoting clean base ball. Financially everything was a success much more than we expected and Jacksonville is surely indebted to you for the way everything was handled, for the beautiful cup which we received from The News-Tribune.

"Again thanking you for the many favors shown us and the ball club, beg to remain, most sincerely,
JACKSONVILLE BASE BALL ASSOCIATION.

UTAH TAYLOR, Mgr."

NOTICE OF APPLICATION FOR PROBATE OF WILL.

THE STATE OF TEXAS.

To the Sheriff or any Constable of Milam County—GREETING:

You are hereby commanded to cause the following notice to be published in a newspaper of general circulation which has been continuously and regularly published for a period of not less than one year preceding the date of the notice in the County of Milam State of Texas, and you shall cause said notice to be printed at least once each week for the period of ten days exclusive of the first day of publication before the return day hereof:

NOTICE OF APPLICATION FOR PROBATE OF WILL.

THE STATE OF TEXAS.

To all Persons interested in the Estate of W. E. Bozeman, Deceased; C. W. Straus has filed in the County Court of Milam County, an application for the probate of the last will of W. E. Bozeman, deceased, and for appointment as independent executor without bond of said will; which will be heard at the next Term of said Court, commencing the first Monday in August, 1922, same being the 7th day of August, 1922, at the Court House in the City of Cameron, Milam County, Texas, at which time all persons interested in said Estate may appear and contest said application should they desire to do so.

Herein Fail not, but have you then and there before said Court this Writ, with your return thereon endorsed, showing how you have executed the same.

Given under my hand and the seal of said Court, July 17, A. D. 1922.

No Worms in a Healthy Child

All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthener to the whole system. Nature will then throw off the worms, and the child will be in perfect health. Send to take \$2.00 per bottle.

REPUBLICANS OF BEAT FOUR VOTE SOLID.

The Republican Precinct Primary Convention of Beat 4, held here last Saturday at the City Hall Auditorium was, as Colonel C. F. Niehaus expressed it, a veritable "Love Feast," the only disappointing feature being the absence of Ben Loewenstein, Sr., prominent Republican leader, who was too ill to attend. Otherswise, all of the remaining members of the "Old Guard" were on hand. That old Republican "War Horse" E. McClintock occupied a front seat, and then there were G. F. Davidson, M. J. Floyd and H. W. Witcher, all of whom fought the battles of white Republicanism in the past "dark days." The rest of the convention was made up of local business and professional men, and some visitors from other sections of the state. A new feature of the convention was the presence of quite a number of ladies, who for the first time participated in the proceedings and voting.

The convention was called to order by Precinct Chairman Frank Young, who made a few introductory remarks. Then followed the invocation by Rev. N. H. Melbert, pastor of the Methodist church of this city, after which the convention settled down to business.

Mrs. Etha E. Wiscup was unanimously elected as Secretary of the convention and an accurate list of the qualified voters present was taken. By motion the chair was authorized to appoint a number of committees to facilitate the work of the convention.

The Committee on Resolutions brought in a report endorsing the National Administration, pledging support and co-operation to the official state and county Executive Committee and recommending the re-election of Sam Mewhinney for County Chairman and Frank Young as Chairman of this precinct. This report was adopted unanimously.

In voting, every vote in the convention was cast for Sam Mewhinney of Buckholts, to succeed himself as County Chairman, and Frank Young of this city, was unanimously re-elected as Chairman of Beat 4, and member of of the County Executive Committee.

Col. C. F. Niehaus was elected Chairman of the Delegates to the County Convention, the personnel of the delegation being as follows:

Col. C. F. Niehaus, G. F. Davidson, E. McClintock, Ben Loewenstein, Sr., H. W. Witcher, M. J. Floyd, Dr. C. E. Wiscup, Mrs. Etha E. Wiscup, L. B. Jones, Mrs. Mary A. Jones, E. H. Coffield, W. B. Ferguson, Mrs. W. B. Ferguson, Mrs. Ophelia Young, L. A. Schmidt, E. I. Wade and H. P. Talley.

Following are the official committees as appointed by the Chair:

Committee on Resolutions—Chairman, Rev. N. H. Melbert, Dr. C. E. Wiscup, L. B. Jones, W. B. Ferguson and E. H. Coffield.

A Republican Club will be organized for the purpose of furthering interest in Republican principles, and to promote efficient co-operation of part adherents in Milam County.—Rockdale Reporter.

NOSE CLOGGED FROM A COLD OR CATARRH.

Apply Cream in Nostrils To Open Up Air Passages.

Ah! What relief! Your clogged nostrils open right up, the air passages of your head are clear and you can breathe freely. No more hawking, snuffling, mucous discharge, headache, dryness—no struggling for breath at night, your cold or catarrh is gone.

Don't stay stuffed up! Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic cream in your nostrils, let it penetrate through every air passage of the head; soothe and heal the swollen, inflamed mucous membrane, giving you instant relief. Ely's Cream Balm is just what every cold and catarrh sufferer has been seeking. It's just splendid. (Adv)

STATE FARMERS' INSTITUTE WILL NOT BE HELD THIS YEAR.

Austin, Texas, July 24.—Commissioner of Agriculture, Geo. B. Terrell, will not call a meeting of the State Farmers' Institute this year, because of bad financial conditions of the farmers and his inability to secure free transportation or reduced rates for the meeting.

His statement follows:

"To Secretaries of Farmers' Inst.: This is to advise you that a delegated meeting of the State Farmers' Institute will not be held this summer, because of the impoverished financial condition of the farmers, rendering a great many of them unable to attend the meeting.

The State laws permit the Railroads to give free transportation for these meetings, and I tried to secure such free transportation, but the Railroads declined to grant the transportation in the following statement: 'In view of the established rule not to issue and free transportation not authorized by the Interstate Commerce Commission Act, it would not be consistent for us to make an exception in this case and issue the transportation requested.'

Since we cannot secure free transportation, and cannot get reduced rates, except on the certificate plan, which requires the purchase of a large number of tickets at full fare, before the reduction is granted, on the return ticket and knowing the attendance under such conditions would not be large enough to secure any reduction in rates, I have decided not to call the State Institute this year. I regret this very much, as the farmers ought to come together once a year and discuss plans for bettering their conditions. But the conditions above stated made it impossible to have the meeting this year.

Respectfully,

Geo. B. Terrell,
Commissioner."

NOTICE IN PROBATE.

THE STATE OF TEXAS.

To the Sheriff or any Constable of Milam County—GREETING:

You are Hereby Commanded to cause to be published once each week for a period of ten days before the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year in said Milam County, a copy of the following notice:

THE STATE OF TEXAS

To all persons interested in the estate of Marie Cahill, a minor, notice is hereby given that Ed. Cahill has filed an application in the County Court of Milam County, on the 27th day of July, 1922, for letters of guardianship of the personal estate of the above named minor.

Which said application will be heard by said Court on the 7th day of Aug. 1922, at the Court House of said County, in Cameron, Texas, at which time all persons interested in said estate are requested to appear and answer said application, should they desire to do so.

Why Miss the Profits

You hit the more summer profits mark when you use Cow Chow as the ration. Dairymen everywhere are using Cow Chow and putting more money in the bank because:

Cow Chow cuts the cost per gallon of producing milk on grass.

Keeps your cows in better condition.

Gets a longer milking period.

Every pound of Cow Chow fed a good dairy cow will make her produce about three pounds more milk per day on grass up to normal production.

Cow Chow will not only help you to make more summer profits, but your cows will be up to maximum production when colder weather arrives.

C. N. Green & Brothers

Cameron, Texas.

LET'S TALK LOGIC

There was a time when people thought of a bank as an institution for men only—a place of mystery where women were unknown. However, with the passing of time things have changed—ideas have progressed—and today every up-to-date bank is a woman's bank, too. This bank prides itself on being a woman's bank—a place where courtesy and personal attention are always shown. We should like very much for you to come in and talk your financial problems over with us.

Merits Of Buick 1923 Model Are Praised Here

NEW MODELS NOW ON DISPLAY
AT CAMERON MOTOR CO.
OF CAMERON.

No single season in recent years has seen so many improvements in Buick cars as the present one; and never has the Buick line been so complete.

The engine for example, is fitted with longer pistons and connecting rods, adding to the smoothness and long wear for which the Buick engine has always been noted. A new rear spring suspension has been devised which is undoubtedly the highest development of the cantilever type yet achieved. The frame, the transmission, the rear axle, the brakes, the bodies and their equipment each shows the hand of the skilled designer by some new and valuable features.

The insurance companies have rated all fourteen models as Class "A" fire risks, because of the safety of their electrical and gasoline systems and have materially reduced the theft insurance rates. This means a big saving in insurance premiums over cars not so rated; it also indicates the close attention to detail that has been paid to these Buick cars for season of 1923.

As in the case of the six-cylinder models, the Buick four-cylinder cars have been redesigned this season, not merely in the sense of giving them a new appearance, but with the object of making them better and more efficient automobiles in every department of motoring service.

These changes begin with the frame which has been entirely redesigned and continue through the important mechanical units of the car, from an easier and simpler method of oiling the rocker arms to an improved method of driving the speedometer.

The body is large and roomier, with lower lines and added grace of appearance. There are new and improved fenders, top, windshield, headlights, side curtains.

There is an improved spring suspension, new upholstery, improved dash equipment, new arrangement of seats, longer and lower steering column, and a number of other features that add materially to riding and driving comfort.

There is a transmission lock to prevent theft which reduces insurance rates materially. Other improvements place the Buick Fours in Class "A" as fire insurance risks, securing for the owner lower insurance rates.

These are part, and only part, of the changes that apply to all four-cylinder models. Each model has its own special improvements, because each has been redesigned as a unit.

NOTICE OF APPLICATION FOR PROBATE OF WILL THE STATE OF TEXAS.

To the Sheriff or any Constable of
Milam County—GREETING:

You are hereby commanded to cause the following notice to be published in a newspaper of general circulation which has been continuously and regularly published for a period of not less than one year preceding the date of the notice in the County of Milam State of Texas, and you shall cause said notice to be printed at least once each week for the period of ten days exclusive of the first day of publication before the return day hereof:

NOTICE OF APPLICATION FOR PROBATE OF WILL. THE STATE OF TEXAS.

To all Persons interested in the Estate of Mrs. Caroline Yoe, Deceased; A. N. Green has filed in the County Court of Milam County, an application for the probate of the last will of Mrs. Caroline Yoe, deceased, and a codicil thereto, said will and codicil alleged to constitute the last will and testament of said deceased, and for appointment as independent executor without bond of said will; which will be heard at the next Term of said Court, commencing the first Monday in August, 1922, same being the 7th day of August, 1922, at the Court House in the City of Cameron, Milam County, Texas, at which time all persons interested in said Estate may appear and contest said application should they desire to do so.

Herein Fail not, but have you then and there before said Court this Writ, with your return thereon endorsed, showing how you have executed the same.

White-House To Sell Chevrolet Cars In Cameron

COMPANY FORMED TO TAKE
OVER INTEREST OF AGENCY
IN CAMERON.

The White-House Motor Company in Cameron has taken over the contract of the Daugherty Motor Co., and will be the distributors for Chevrolet motor cars in Cameron and Milam county.

The new firm is composed of John W. House and G. C. White of Bryan. Mr. House was reared in Cameron and is well known by the people of the county. Mr. White recently moved to Cameron from Bryan where he has resided for many years and where he has been engaged in business. He has made many friends in Cameron who will welcome his engaging in business here with Mr. House.

In point of sales the Chevrolet Motor Car in Milam county is among the leaders in distribution and the White-House Company in Cameron will find the field favorable for Chevrolet Cars because of their satisfactory use in all sections of the county.

The company intends to soon occupy better quarters for the business and give the Chevrolet every advantage in sales and distribution.

THE STATE OF TEXAS.

To All Persons interested in the welfare of Charlie Stefka, a person of unsound mind; J. T. Stefka, Guardian of such non compos metis, has filed his application for leave to resign the said guardianship, and has accompanied the same by an account for final settlement thereof in the County Court of Milam County, which will be heard at the next Term of said Court, commencing the first Monday in August, same being the 7th day of August, 1922, at the Court House thereof, in the city of Cameron at which time all persons interested in the welfare of such minors may appear and contest said account if they see proper to do so.

Herein Fail Not, But have you then and there before said Court this Writ, with your return thereon endorsed, how you have executed the same.

Given under my hand and the seal of said Court, this July 10th, A. D. 1922.

WILL T. YATES, Clerk,
County Court, Milam Co.
By Mrs. K. K. Robbins, Deputy. 10-31

QUIT MEAT WHEN KIDNEYS BOTHER

Take a glass of Salts before breakfast
if your Back hurts or Bladder
is troubling you.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which excites the kidneys, they become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.

Horstmann Bros. Get Agency Here For The Hudson

HUDSON-ESSEX SALES TO BE
PROMOTED BY CAMERON
TIRE STORE.

Horstmann Brothers of Cameron proprietors of the Cameron Tire Store have signed a contract with the Hudson Motor Company to sell Hudson Super-Six and Essex Automobiles in Milam county.

The contract was signed in Houston last week by August Horstmann who drove an Essex touring car back to Cameron from Houston. They will have the entire territory of Milam county to promote the sales of the cars and will begin shortly to lay their plans for this car.

In securing this agency the Tire Store has made it possible for the distribution of high grade motor cars in Milam county, the quality of the Hudson and Essex being well known to the public.

These young men entered business in Cameron late in 1920 and have built up a successful tire business with the Firestone line and with their well established business will be able to give immediate distribution to these cars.

A TONIC

Grove's Tasteless Chill Tonic restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

Grove's Tasteless Chill Tonic is simply Iron and Quinine suspended in syrup. So pleasant even children like it. The blood needs QUININE to Purify it and IRON to Enrich it. Destroys malarial germs and Grip germs by its Strengthening, Invigorating Effect. 75c.

You Do More Work,

You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness.

GROVE'S TASTELESS CHILL TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

GROVE'S TASTELESS CHILL TONIC is not a patent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.

The Strength-Creating Power of GROVE'S TASTELESS CHILL TONIC has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride a long distance to get GROVE'S TASTELESS CHILL TONIC when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 60c per bottle.

THE MAN WHO SAVES YOU MONEY.

Why Does A Large Portion of Our Community Trade Go To The Larger Towns?

The answer is very simple. It has long been the popular opinion that clothing, farm implements, hardware and general supplies can be bought cheaper from mail order houses in the larger cities than they can be bought from our own local dealers.

The reason for this is that these mail order houses are constantly broadcasting catalogues and booklets and constantly advertising their wares in magazines and newspapers.

Through constant advertising in this paper—not necessarily large space—but a uniform advertisement with copy changed with each issue, a large percentage of our local trade will be kept at home.

Let the people know what can be bought at home.

Comptroller—Smith 212,080, Woodall 162,538.

CAMERON LOSES LAST GAME OF YEAR TO JACKSONVILLE.

"Teddy" Lyons, premier college hurler of the Southwest and, incidentally, one of the smartest pitchers outside the major leagues, was too much for the Cameron Comets here this afternoon and Jacksonville won the last game of the series from the locals by a score of 5 to 2. Lyons showed all the cunning that has made him one of the most feared boxmen in the country, and his brilliance this afternoon eclipsed even his spectacular work for Baylor university last spring.

Schmidt did mound duty for the locals and held the visitors to four bingles. Errors at crucial moments cost the Comets the game. Schmidt pitched masterful ball and deserved to win, but the four hits garnered off his downfall. Lyons was touched for delivery were enough to cause his seven blows, several of which would have been easy outs had the Bears flashed as brilliantly in the field as they did on previous occasions. The game was far different from previous contests between the two clubs, due to the weak hitting. Only one long wallop was made, that being a two-base rap by Guynes of the locals.

The Comets disband Monday, following a game today at Rosebud with the Roses. The season has been a highly successful one and local fans are well pleased with the team's record. The win today gives Jacksonville an even split with Cameron, each team having won 6 games during the 12-games series.

The score.
Jacksonville 5 4 2
Cameron 2 7 4
Batteries—Lyons and Covington, Schmidt and Dinan.

666

666 is a prescription for Colds, Fever and LaGrippe. It's the most speedy remedy we know.

LADIES! DARKEN YOUR GRAY HAIR

Use Grandma's Sage Tea and Sulphur Recipe and Nobody will know.

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and attractive. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a bottle of "Wyeth's Sage and Sulphur Compound," you will get this famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark and glossy.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire a more youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

Ku Klux Klan Makes Donation to Nazarine Revival

(Milano Gazzett)

Wednesday night at the closing of the revival, the choir was singing "Jesus Lover of My Soul" when eight Klansmen came in under the big tabernacle and presented the preacher with an envelope. The envelope contained cash to the amount of \$26. A letter accompanied the donation read as follows:

Milano, Texas, July 26, 1922.
To the Rev. J. T. Threadgill,
Milano, Texas.

We as members of Knights of the Ku Klux Klan, enclose herein the sum of \$26 in cash to show our appreciation of the good work you have been doing in our midst.

We believe in the tenets of the Christian religion, the separation of the church and state, the Constitution and laws of our country, state, county and precinct. We believe also that our laws should be enforced by the constituted authorities.

We believe in White Supremacy—and will not tolerate the association of the white and black races.

The Stars and Stripes is our flag and we recognize no other. We stand firm for our public school system, protection of our womanhood, girls and boys.

Until further notice the Klans of Milam county will offer to any peace officer of Milam county a reward of \$25 for the arrest and conviction of any bootlegger in Milam county.

May God's richest blessing ever be with you in your work.

PREPARE TO MAKE MONEY HANDLING COTTON THIS YEAR

This year's cotton crop will be at least ten million bales. Prepare to help handle this enormous crop. It requires only four to six weeks in our institution to become thoroughly familiar with the classing and handling of this most important product of the South. If you act quickly you can be ready.

We have the largest and best equipped sample room in the state with a solid glass wall on the north to afford proper light. This room was constructed on top of our big three

story building especially for teaching the grading and marketing of cotton.

With the ever-increasing demand for help along this line you should prepare immediately. A number are now taking our cotton classing course, because they realize what an opportunity is open to the expert on cotton. Regardless of the price of cotton, the buyer makes his profit. The farmer would make much more than he does if he could grade and staple his product, because he is completely at the mercy of the buyer when he does not know one grade from another.

READ WHAT SOME OF THE RECENT GRADUATES SAY ABOUT US.

Tyler, Texas, May 23, 1922.

To Whom It May Concern:
This is to certify that we, as Cotton Classers, are but a few of the numbers that come to the Tyler Commercial College to learn the Cotton Business. Our respective counties have sent us here and we feel that they have made no mistake in selecting the Tyler Commercial College as the school is second to none in efficiency and equipment, climatical and healthful conditions are the best.

Public Cotton Classers, farmers and business men who handle cotton should attend Tyler Commercial College and learn to class, staple and sample cotton in a practical manner so that they may be in a position to handle their cotton in a more intelligent and profitable manner. We highly recommend Tyler Commercial College to anyone desiring a commercial training and especially in cotton classing.

Yours for the Farmers Labor Union of America and the Tyler Commercial College.

Paul Sisco, Collin County, Texas.
G. A. Lloyd, Cherokee Co. Texas.
J. B. Smith, Wood County, Texas.
J. G. Howlett, Collin Co. Texas.
J. C. Houston, Collin Co. Texas.
J. A. Long, Collin Co. Texas.
C. Warrin, Collin Co. Texas.
W. E. Ray, Rusk Co. Texas.

A special summer course is given for \$53.00 including tuition, samples and materials for Cotton Grading.

In order to complete your course in time to prepare for the coming cotton season, you should enroll with us now. Write, wire or phone for information and our free catalogue.

Tyler Commercial College,
Tyler, Texas.

YOU CAN'T TRUST CALOMEL AT ALL.

It's Quicksilver, Salivates, causes Rheumatism and Bone Decay.

The next dose of calomel you take may salivate you. It may shock your liver or start bone necrosis. Calomel is dangerous. It is mercury, quicksilver. It crashes into your bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tone for a few cents which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

Don't take calomel! It can not be trusted any more than a leopard or a wild-cat. Take Dodson's Liver Tone which straightens you right up and makes you feel fine. No salts necessary. Give it to the children because it is perfectly harmless and can not salivate. (Adv)

The Quinine That Does Not Affect The Head Because of its tonic and laxative effect, LAXATIVE BROMO QUININE (Tablets) can be used by anyone without causing headaches or other ailments.

HEALING CREAM STOPS CATARRH

Clogged Air Passages Open at Once—Nostrils Cleared

If your nostrils are clogged and your head stuffed because of catarrh or a cold, get Ely's Cream Balm at any drug store. Apply a little of this pure, antiseptic, germ-destroying cream into your nostrils and let it penetrate through every air passage of your head and membranes. Instant relief.

How good it feels. Your head is clear. Your nostrils are open. You breathe freely. No more hawking or snuffling. Head colds and catarrh yield like magic. Don't stay stuffed up, choked up and miserable. Relief is sure.

MAN GIVES WIFE GLYCERINE MIXTURE.

She had stomach trouble for years. After giving her simple buckthorn bark, glycerine, etc., as mixed in Adler-i-ka, her husband says: "My wife feels fine now and has gained weight. It is wonderful stomach medicine." Adler-i-ka acts on BOTH upper and lower bowel, removing foul matter which poisoned stomach and which

you never thought was in your system. EXCELLENT for gas on the stomach or chronic constipation. Guards against appendicitis. The impurities it brings out will surprise you. For sale by the New Cameron Drug Company.

Colds Cause Grip and Influenza

LAXATIVE BROMO QUININE Tablets remove cause. There is only one "Bromo Quinine" E. W. GROVE'S signature on box. 30c.

Hot Water Each Morning Puts Roses in Your Cheeks

To look one's best and feel one's best is to enjoy an inside bath each morning to flush from the system the previous day's waste, sour fermentations and poisons before it is absorbed into the blood. Just as coal, when it burns, leaves behind a certain amount of combustible material in the form of ashes, so the food and drink taken each day leave in the alimentary organs a certain amount of indigestible material, which if not eliminated, form toxins and poisons which are then sucked into the blood through the very ducts which are intended to suck in only nourishment to sustain the body.

If you want to see the glow of healthy bloom in your cheeks, to see your skin get clearer and clearer, you are told to drink every morning upon arising, a glass of hot water with a teaspoonful of limestone phosphate in it, which is a harmless means of washing the waste material and toxins from the stomach, liver, kidneys and bowels, thus cleansing, sweetening and purifying the entire

alimentary tract, before putting more food into the stomach. Girls and women with sallow skins, liver spots, pimples or pallid complexion, also those who wake up with a coated tongue, bad taste, nasty breath, bilious spells, acid stomach or constipation should begin this phosphated hot water drinking and are assured of very pronounced results in one or two weeks.

A quarter pound of limestone phosphate costs very little at the drug store but is sufficient to demonstrate that just as soap and hot water cleanses, purifies and freshens the skin on the outside, so hot water and limestone phosphate act upon the inside organs. We must always consider that internal sanitation is vastly more important than outside cleanliness, because the skin pores do not absorb impurities into the blood, while the bowel pores do.

Women who desire to enhance the beauty of their complexion should just try this for a week and notice results.

The Bank That Is Ahead

The bank that serves all its customers alike and serves them well is the bank you want to do business with, this is the kind of service we offer all the time. Your bank account here is protected by the United States Government. What can be stronger?

Efficiency and service our motto.

Studebaker CLOSED CARS

Studebaker enclosed cars are an evolution of the fine coach work of former generations.

They represent the skill of engineering specialists; plus the standard of 70 years' experience in building quality vehicles.

Strength, weight, resistance to shock, freedom from rattles, are all subjected to searching analysis and gruelling road tests under every possible condition of road and weather.

The body framework is of selected white ash, thoroughly seasoned and rigidly inspected.

Painting is comparable to the highest grade custom coach work. It includes 26 different operations and 15 separate coats of material.

The seat springs are of the highest grade. The upholstery is of mohair velvet plush velour, selected for wearing qualities and rich neutral tones which combine elegance with service. Door-window regulators of the latest improved type permit quick change from weatherproof protection to an airy open body.

Studebaker enclosed bodies are as good as the chassis. They are built to endure.

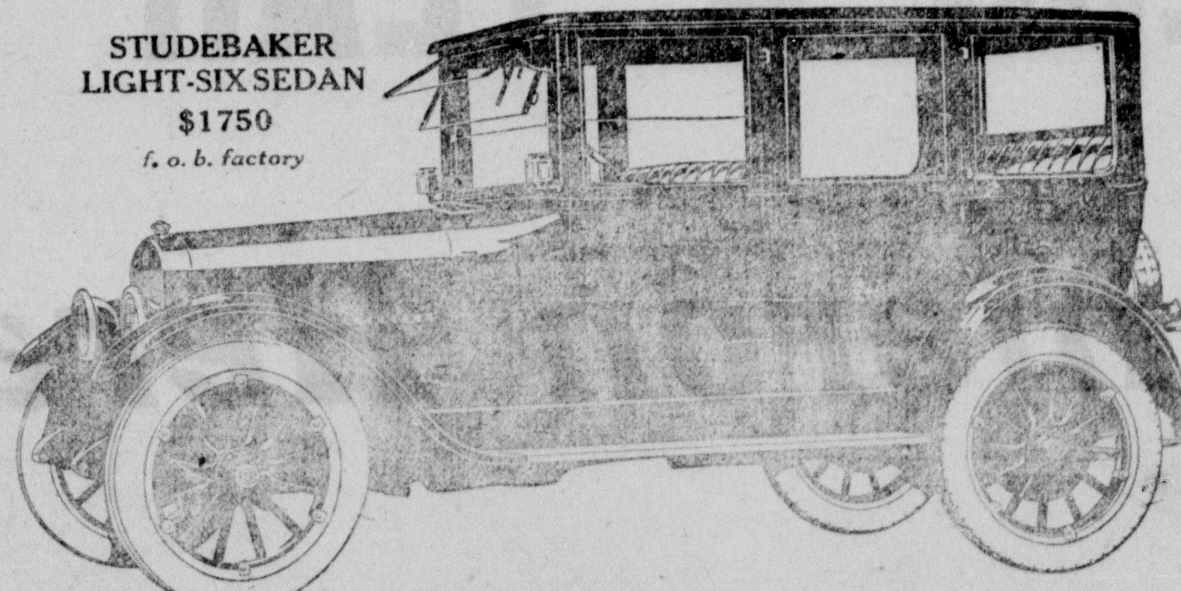

Ask for the Studebaker "Yardstick," a measure of the greater value that Studebaker offers

**The Magazine Section of the Cameron
Herald Aug. 10th**

“Indians Attack Gregg Family in 1841”

Some of the Features of the Magazine Section:

INDIANS ATTACK GREGG FAMILY, 1841.

In the fall of 1841, Judge John Gregg moved to Texas. Soon after crossing the Neches river, in Southwest Texas, Indians attacked the family and killed Mrs. Gregg and her eldest son, Thaddeus. Of the other two sons of the family one was wounded and the third carried into captivity by the savages. The story in detail will appear in the Magazine section of the Cameron Herald August 10th.

Many interesting features are being printed monthly in our 8-page Magazine Section—an addition to our regular issue—and sent to all subscribers without extra cost. Say a good word for the Herald. We will appreciate the favor and it will help to increase our patronage with subscribers and advertisers.

“THE MENACE OF THE FLAPPER.”

Kathleen Norris, writer of national importance, analyzes the cause of the flapper in the August 10th

issue of the Cameron Herald. She places responsibility for the flapper with parents and the present age of materialism. Read her story and tell the editor what you think of it.

MINERAL RESOURCES OF TEXAS.

In the August 10th issue of the Cameron Herald Magazine Section, E. H. Sellards, geologist of the University of Texas, will tell our readers of the wonderful mineral resources of Texas. There are millions of dollars' worth of minerals in Texas yet unmined and, to a great extent, unknown. Read this story and keep posted on the potential wealth of your state. Also please mention the Cameron Herald to your neighbor, if he is not now a subscriber, and tell him how much good reading matter and how much valuable information he is missing by not being on our subscription list. The boost will help us to publish a better newspaper.

LOCAL AND PERSONAL

J. H. DuBois, district representative of the Magnolia Petroleum Company, and Mayor J. B. White, went to Leon county last week where they spent several days fishing on the famous Standmeyer lake in the timberlands near the Trinity. While there they were guests of the Jewett fishing club and report good luck and the best of times.

Charged by complaint with the sale of impure meat, a local meat market proprietor was found guilty in the corporation court Monday by a jury and was fined \$25. The case grew out of the sale of meat which had been condemned by city health officer Dr. T. G. Van Zandt and which was taken from the cold storage vaults of a local storage company. Evidence showed that meat was manufactured into sausage and was sold. The city council is having drawn an ordinance for passage providing for inspection of all animals slaughtered where meat is offered for sale in the city of Cameron. The ordinance will provide also for the inspection of markets with the view of obtaining the best of sanitary conditions.

Dr. A. B. Quinn, Chiropractor, will leave next week for a weeks stay in West Point, Tennessee, where he will visit his homefolks.

Brassieres for stout figures.
The Specialty Shop.

John E. Cooke, editor of the Rockdale Reporter, was in Cameron on last Saturday to witness the closing game between Jacksonville and Cameron base ball teams.

SOCIETY and Club

By MRS. W. A. GILLON

ANNOUNCEMENT PARTY.

Mrs. J. W. Coleman entertained Tuesday morning in honor of her daughter Miss Estelle Coleman.

The Kilkare Sigma Phi Club and a few other friends were invited to play "42" at nine-thirty o'clock.

The home was beautifully decorated in baskets and vases of queens wreath with a blue bird flying over each table.

Nine tables were arranged covered in pink with blue birds pasted on as markers. Tally pads and score cards were blue bird design and when a game was scored a blue bird marked the game. At the close of a number of spirited games Mrs. Coleman, assisted by Mesdames O. L. Kidd, Judd Davis, Misses Sallie Coleman and Olive McGehee, brought in a special white covered serving tray for each table. Each tray had a basket of pink verbenas as a centerpiece, plates contained pine apple and pear salad, sandwiches, wafers, macaroons, and strawberry ice.

In this case it can truly be said: "A little bird told me" for on the edge of each glass was perched a little blue bird with a scroll in its beak with this inscription: "Estelle Coleman, Earl V. Evers, September seventh," thus announcing the approaching marriage.

Best wishes were extended and many plans made for the next months social affairs.

BAPTIST AUXILIARY

All the circles met at the City Park Monday afternoon and made Red Cross bandages after which they served a picnic supper.

CHRISTIAN ENDEAVOR PAGEANT

The Pageant at the Presbyterian church announced for this Thursday night has been indefinitely postponed.

WESLEY BIBLE CLASS ENTERTAINS.

Mrs. W. H. Triggs entertained with her class, the members of Mr. W. H. Triggs class last Thursday night at the home of Mr. and Mrs. Wm. R. Rogers.

It was given on the lawn and there were fifty or more present.

A matching of Bible characters and their mates was used in securing partners for the feast.

Delicious punch was served throughout the evening. The ice water melon feast followed and all had a merry time.

JACKSONVILLE-CAMERON BASE BALL PLAYERS.

Mr. and Mrs. Wm. Rogers entertained the base ball players last Saturday night.

Miss Eloise Rogers and Martha Lou Hooks served punch while the men talked of the games, past present and future.

Music on the Edison was enjoyed and at the close of the evening delicious ice cream, angel food cake and devils food cake was served.

KILKARE SIGMA PHI CAMP.

A party composed chiefly of this club left Tuesday for a camp of a few days on the Aunt Lizzie Wilson place.

Dr. and Mrs. Tom Denson are acting as chaperones.

AT THE TRAINING CAMP.

The following letter from Billie Hefley has been received here by his mother, Mrs. W. T. Hefley, in which is told the early experiences of himself and companions from Cameron who are attending the civilian training Camp at Camp Travis, San Antonio: Dear Mother:

I have now completed by first day

as soldier and am now writing to report on the last two days. It is now about seven o'clock and I am writing from the students' rest hall.

We started from Cameron about 3:15 as the train was that late. When we got to Milano we were switched off on a siding and as one train the other three trains which stop at this place had a wait. About 1:00 the train arrived and we started. When we got on at home we met some other C. M. T. C. students from North Texas who were very entertaining all the way down. We got into Taylor about eight where we ate breakfast. We went on and did not stop very much till we reached Austin. Then we waited for about an hour and went on till we came to San Antonio about 12:00. We went on out to Camp Travis about five miles in an army truck. We got off and went through an easy examination. We then were given a complete examination. This took about three hours. Then we marched to our barracks and had dinner. We then marched over to the quartermaster's and were issued our clothes. Then we came back and had supper. After supper I went to the swimming pool but I didn't go in. I went to a picture show and then came home. We went to bed about 9:00 o'clock. Next morning we got up about 5:45 and came out at 6:00 for inspection. We had breakfast about 7:30 and then drilled from 8:00 to 9:00 and from 10:00 to 11:00 we had dinner at 12:15 and drilled some from 3:00 to 4:00. We had retreat at 6:00 and then had supper. Then I started this letter. I had to stop because the soldiers come in the rest hall to sing and I left and went off with Joe Evans, Joe Hefley and Carl Mosley. The next day we had a little drill but not much and in the afternoon we went to a lecture and the whole C. M. T. C. Regiment had their pictures taken. In the morning the general had addressed us. Last night I got a pass and walked about two and a half miles to Breckenridge Park. There I took a street car and went about two miles to town. I walked up and down the streets till about 9:00 and then got a bathing suit and came home. We went to bed about ten and lights were out at 9:00 but there was a lot of noise till about 11:00.

This morning we didn't have to get

up till late and so stayed in bed till about 6:45. Then we went down for inspection and mess. I got a pass for the rest of the day and finished this letter.

Tomorrow we will start to work in earnest as we drill most of the time and our guns will be issued.

I am in the same squad as Jack Hearrell and he has half of my tent. I am in the same company as Fred Childress, Joe Evans and Joe Mohler. Please write we soon and tell me about things at home. How is the dogs.

My address is:

W. T. Hefley,
Signal Corps, 7th Co., C. M. T. C.
San Antonio, Texas.

CARD OF THANKS.

It gives me great pleasure to thank the majority of the people of Milam county, who voted for me on July 22nd, 1922.

I feel honored by their vote. To be a Representative from Milam county is an honor to any one, especially one that has been honored by the people for the same office before, it would make any one think he filled the place with respect to himself and to the satisfaction of the majority of the people of Milam county.

It was my wish and desire to meet all the people of Milam, but my physical condition would not permit.

I only made four speeches, in these speeches and circulars sent out I told you good people some things I did and some things I intended doing at the next session of the Legislature. I am sure the people wish me to carry out my promises, this I will do, making a record in the Legislature in the future as in the past, one that I am not ashamed of.

To those that voted against me I have no ill will.

Your friend,

I. LOONEY,
Representative of Milam County.

SERIOUS INJURY.

While working on an Automobile in a garage at Milano last Saturday evening, Horace Fortner sustained the loss of his right eye, a piece of steel about one-half inch long striking in the center of the eye ball. He was brought to Dr. Taylor's office in Cameron, where the piece of steel was removed but the sight is lost.

Rev. Wm. Copeland of Rockdale visited Mr. and Mrs. W. A. Morrison last week and preached a forceful sermon at the Presbyterian church last Sunday. Rev. Copeland is well known and loved by the Cameron people, and they are always glad to hear him preach.

Mr. Hosea Collier of Hearne spent a few days on the river with the Kameron Kamp Krowd last week.

CARD OF THANKS.

To the Voters of Milam county:

I am very grateful to the people of Milam county for the loyal support accorded me in the recent primary. I am very happy over the result, yet humble; and I trust through your influence to be an efficient officer.

Thanking you again for your remembrance, I am,

Yours very truly,
H. M. ROARK.

This Paint is Made for Painting Floors

A paint may be good, but still not good enough for floors. You may have found that out yourself. However, when you use a paint made especially for painting floors, you're sure to be delighted with the result.

Lowe Brothers Hard Drying Floor Paint is made for painting floors. Contains extra tough varnish that stands up under the severe treatment all floors get.

It's called Hard Drying because it's just that. Dries hard quickly and stays hard. Easy to apply; easy to keep clean. Wears and wears.

Come in and see the sample panels and ask for literature.

Do You Pay Your Bills?

BEGIN NOW

Don't put off until tomorrow. There is only one way to get out of DEBT—and that's to BEGIN NOW.

If you are "in bad"—lay your plans—grit your teeth and get down to PAYING YOUR HONEST OBLIGATIONS.

This is BILL-PAYING TIME.

The merchant who entrusted you with his goods, the banker who entrusted you with his money and the professional man who entrusted you with his knowledge and skill EXPECTS SETTLEMENT according to agreement.

When you were extended the obligation—it was understood that you would SETTLE when your bill fell due.

YOU GOT THE BILL ON THE FIRST—NOW SETTLE.

Don't put it off. DEBTS GROW LIKE BAD HABITS.

OLD DEBTS besmirch honor. To be able to carry your purchase out of a store without paying cash is a compliment to you. The merchant thought you were honest—and he'll tell other folks you are honest until you prove yourself otherwise.

DEBT DODGERS at one time were treated as honest men. They had the benefit of the doubt—but they failed to live up to what was expected of them.

Regardless of character and without a proper sense of honor they decided to take the wrong road—to obtain goods without paying for them. They succeeded for a while—but now their ROAD IS A HARD ONE.

They are no longer trusted. Their word stands for naught. Their "promise to pay" is an empty one.

CO-OPERATION among the merchants in reporting cases of this kind has HEDGED THE DEBT DODGER.

This co-operation has also helped the HONEST PERSON.

When you do NOT PAY your bills you are reported and credited in the future accordingly. When you DO PAY YOUR BILLS you are also reported and credited accordingly.

HONEST FOLKS WELCOME RATINGS. Dishonest ones dodge ratings.

You are judged by your rating, which is a record of your past performances in "making good" on your promises to pay.

As failure to PAY YOUR BILLS takes away from your credit, so prompt paying of them adds to your credit.

Your credit—good today—can become bad tomorrow.

Your credit—bad today—by prompt paying and a disposition to do the right thing will make it good tomorrow.

THERE IS HOPE.
SETTLE.
